Dear Editor:

In regards to the December 5th Article, "In Search of the real Islam", by Syndicated Columnist Cal Thomas, a Christian conservative with whom I (as a serious atheist) disagree with most of the time, I have one and only one thing to say: Hooray! Hooray! Hooray!

Gary Deering

PS.
Also, as an aside, I just want to mention that the only thing I found wrong in Mr. Thomas's article is his claim that the question: "How many angels can dance on the head of a pin?" is an unanswerable question. It is not. The answer is: zero. Because angels can't dance.
