FS3

The Pretzil

A King James Version Bible p and/or p (FS3):

> "If anyone comes to me and does not hate his father and mother, his wife and children, his brothers and sisters—yes, even his own life—he cannot be my disciple." (Luke 14:26)

LUKE CHAPTER 14 KJV (kingjamesbibleonline.org)

+

one example of one (presumably) Christian's attempt to "make" sense out of the p and/or p

> Verse 26~Here the word hate simply means to love to a lesser degree. In the Bible the word hate can have various meanings. Jesus certainly did not want us to be hostile toward our family or wish them any harm.

Luke Chapter 14 Discussion Page 2 (kingjamesbibleonline.org)

This "sounds" like—resonates with—something *I could have* "reasoned" when I a young Christian—even way, way, way before my pre Catch-22 days—hence, it's *plausible* this is the reason **I** picked this one out of the many pages and pages of on line responses
